The Five Finger Prayer

1-Your thumb is nearest to you so begin by praying for those closest to you. To pray for our loved ones is, as C.S. Lewis once said, a "sweet duty."

2-The next finger is the pointing finger. Pray for those who teach, instruct and heal. This includes priests, doctors, teachers and coaches. They need God's guidance.

3-The next finger is the tallest. It reminds us of those people who shape our nation and guide public opinion. They need God's wisdom.

4-The fourth is our ring finger. This is our weakest finger as any piano teacher will testify. Pray for those who are weak, in trouble or in pain. You cannot pray too much for them.

5-Lastly is our little finger, the smallest finger of all, which is where we should place ourselves in relation to God and others. As the Bible says, "the least shall be the greatest among you." By the time you have prayed for the other four groups, your own needs will be put in proper perspective and you will be able to pray for yourself more effectively.
